Purdue Pharma Case No. 19-23649-(RDD)

Creditors Objection to Debtors Fifth
Amended Order Extending Time to
Object to Dischargeability of Certain
debts.

I Deborah Clonts object to Purdue
Pharma extending their time to object to
the dischargeability of certain debts on
the fact they have openly committed fraud and
plead guilty to it in 2007 and 2000. They've
hurt people, many people have died because
of them. It's just so very clear. I
ask you do not extend their time
